

**Mon. Aug 28  
Through  
Fri. Sept 1**

**No Warm Up  
on  
Monday, August 28**

**Evaluate**  
 **$15 - 2(3+1) + 2^5 \div 16$**

**Evaluate the expression  
if  $x = 5$**

$$3x^2$$

Copy the picture on to your  
blue warm up.

Identify the missing sides.

Find the perimeter

Find the area.

**What is the next number in  
the pattern?**

**3, 5, 9, 17, 33, 65, ?**

**Tues. Sept 5  
Through  
Fri. Sept 8**

**No School  
on  
Monday, Sept 4**

**Which of the following is not true?  
(Copy down all choices.)**

- a)  $6^2 < 4^3$**
- b)  $2^5 > 3^3$**
- c)  $3^4 > 5^3$**

**Evaluate**

$$4h^2 - 1$$

**if  $h = 5$**

**Copy the line plot then write the data in a list.**

**What is the perimeter of  
a square whose area is  
 $64 \text{ in}^2$ ?**
